
Notice to Installers

This product uses Flash memory technology. The following points should be noted for products using flash memory:

- Programming changes made directly via a keypad begin to be saved when you exit the menu. (Exit to the banner to be sure.)
- Programming changes made via RSS begin to be saved 15 seconds after you disconnect the RSS link.
- Before removing power, to ensure data integrity, use the power-down option in menu 51.17.5
